

Please do not force K-LOVE off the air by allowing the new Low Power FM stations to take priority over current FM translator service. There is too much value in the K-LOVE message as their motto goes, "Positive, encouraging, K-LOVE." K-LOVE serves communities, but more importantly, individuals, young and old alike, in a POSITIVE way. The effect on the local community if K-LOVE were to be displaced would be devastating. It is in the public's best interest to keep K-LOVE on the radio. Keep the family-friendly programming of K-LOVE going. K-LOVE supports wholesome values and has a positive and encouraging impact on communities all across America. I'm begging you to preserve this service. Don't let LPFM have priority over FM translator service! I don't want to lose my K-LOVE signal.

Sincerely,

Melinda Martin
